FIRST-PARTY IRREVOCABLE AGREEMENT

Funded with Life Beneficiary’s assets requiring Medicaid pay back

By executing this first-party irrevocable trust agreement between the Settlor and the Contributor and the Trustee, all named hereinbelow and hereinafter referred to collectively as the Parties, the Parties hereby create and establish an Alabama Family Trust Corporation account, hereinafter referred to as AFT account, for the benefit of the Life Beneficiary, named hereinbelow.

1. SETTLOR AND CONTRIBUTOR

The **Settlor**, *Code of Alabama* §38-9B-2(15), and the **Contributor**, *id.*, §38-9B-2(7), are the same person, namely _____, who as Settlor names a Representative in ¶15 below and as Contributor names the Residuary Beneficiaries in ¶17 below and chooses the initial investment option allocation for the AFT account and chooses whether to authorize the Representative to amend that investment option by executing the separate Investment Options Agreement entered into between the Contributor and the Trustee contemporaneously with this Agreement.

2. LIFE BENEFICIARY

The Settlor/Contributor, hereby names _____ as the **Life Beneficiary**, *Code of Alabama* §38-9B-2(11), of this first-party AFT account.

3. CONTRIBUTION

The initial amount contributed to establish this account is \$ _____.

4. TRUSTEE

The **Trustee**, *Alabama Code* §38-9B-2(16), is the Alabama Family Trust Corporation, which is one of the Alabama domestic non-profit corporations created by the Board of Trustees of the Alabama Family Trust, *id.*, §38-9B-5, which qualifies as a non-profit organization under §501(c) of the *Internal Revenue Code* and as a pooled special needs trust under 42 U.S.C. §1396p(d)(4)(C). The Board of Trustees of the Alabama Family Trust is appointed as provided by *Code of Alabama* § 38-9B-4 and also serves as the Board of Trustees of the Alabama Family Trust Corporation.

5. REPRESENTATIVE

The Settlor hereby designates and appoints the following person or persons as **Representative**, who shall have the duties, powers, and authority as the Co-trustee, as that term is defined in *Code of Alabama* §38-9B-2(8), who shall serve individually one at a time and in the order listed unless otherwise stated:

If none of the persons named above is able and willing to serve or to continue to serve as such Representative, then the Parties agree that the Trustee by vote of its Board of Trustees may appoint a Successor Representative.

6. COMPENSATION OF REPRESENTATIVE

The Representative shall not be paid any salary, wage, or other compensation for service as Representative, but shall be entitled to be reimbursed for reasonable and necessary out-of-pocket expenses incurred for the benefit of the Life Beneficiary.

7. LIMITATION OF LIABILITY OF THE REPRESENTATIVES AND THE TRUSTEE

As provided in *Code of Alabama* §38-9B-7, neither the Trustee nor any Representative serving with respect to the AFT account shall at any time be liable for any mistake of law or fact or of both law and fact, or errors of judgment, or for any loss sustained by the AFT account or the AFT Charitable Trust, or by the Life Beneficiary, or by any other person, except through actual fraud or willful misconduct on the part of such Trustee or Representative.

8. ALABAMA FAMILY TRUST CHARITABLE TRUST

The Alabama Family Trust Charitable Trust is the other Alabama domestic non-profit corporation created by the Board of Trustees of the Alabama Family Trust as directed by *Alabama Code* §38-9B-5 and which qualifies as a non-profit organization under §501(c) of the *Internal Revenue Code* and which as required by *Alabama Code* §38-9B-5(d)(1) provides benefits for Life Beneficiaries whose individual AFT accounts no longer have sufficient assets and income to meet their special needs. The Board of Trustees of the Alabama Family Trust also serves as the Board of Trustees of the Alabama Family Trust Charitable Trust.

9. AFT ACCOUNT DISBURSEMENTS

During the lifetime of the Life Beneficiary, the Representative shall work with the Trustee to determine the special needs of the Life Beneficiary that cannot be met by the government benefits of the Life Beneficiary. The Representative shall periodically

request in accordance with procedures established by the Trustee that disbursements be made by the Trustee from the AFT account for goods and services for the benefit of the Life Beneficiary to meet these special needs that will improve the quality of life of the Life Beneficiary.

10. ARBITRATION OF DISPUTED DISBURSEMENTS FROM THE AFT ACCOUNT

IN THE EVENT THAT THE REPRESENTATIVE AND THE TRUSTEE CANNOT AGREE ON A DISBURSEMENT TO BE MADE FROM THE AFT ACCOUNT, EITHER PARTY SHALL HAVE THE RIGHT TO REQUEST ARBITRATION OF SUCH DISPUTE AS PROVIDED BY *CODE OF ALABAMA §38-9B-5(c)(7)*.

11. DISBURSEMENT REQUESTS SHOULD BE SUBMITTED TIMELY

Because at the death of the Life Beneficiary, the AFT account **WILL BE FROZEN** and **under federal law cannot be used to pay funeral and burial expenses or for any other expenses of the Life Beneficiary** until after Medicaid is paid back and, even if assets remain after the Medicaid pay back, the remainder will be paid to the Residuary Beneficiaries, who are not obligated to pay expenses incurred by the Life Beneficiary, the Representative must submit disbursement requests to the Trustee as soon as expenses that are eligible for payment from the AFT account are incurred to assure that these costs can be paid by the Trustee, **including especially funeral and burial costs, which can be paid from the AFT account on a pre-need basis prior to the death of the Life Beneficiary.** The Representative should submit requests for approval of payments for expenses that are incurred monthly or on some other recurring basis, such as telephone, internet, cable, vehicle insurance, and facility private room charges, using the Trustee's Request for Approval of Recurring Disbursement form to allow more rapid payment of these costs and to prevent the Rev.

accumulation of several months of these costs from becoming unpayable at the death of the Life Beneficiary.

12. AFT CHARITABLE TRUST DISBURSEMENTS FOR THE LIFE BENEFICIARY

In the event that the assets and income of the AFT account are insufficient to pay for the special needs of the Life Beneficiary, income accumulated in the Alabama Family Trust Charitable Trust may be available to meet some of the special needs of the Life Beneficiary. In such event, the Representative should request in accordance with procedures established by the Alabama Family Trust Charitable Trust that disbursements be made for the benefit of the Life Beneficiary from the income available at that time from the Alabama Family Trust Charitable Trust to meet those special needs that will improve the quality of life of the Life Beneficiary. Because the amount of income available for distribution annually from the Alabama Family Trust Charitable Trust is limited to the sum determined in accordance with the procedures established as required by *Code of Alabama* §38-3B-5(c)(1), funds may not be available to pay all disbursement requests made by Representatives of all Life Beneficiaries eligible to request such disbursements for that month. Consequently, such requests are evaluated by the Board of Trustees based on established ranking procedures to determine which such disbursement requests will be approved, and these decisions made by the Board of Trustees of the Alabama Family Trust Charitable Trust are therefore final.

13. AGREEMENT IRREVOCABLE, CONTRIBUTIONS CANNOT BE WITHDRAWN, NO OWNERSHIP OR CONTROL BY LIFE BENEFICIARY, SPENDTHRIFT PROVISION

The parties acknowledge that because the Settlor/Contributor is the same person as the Life Beneficiary, *Code of Alabama* §38-9B-5(b)(4) provides that this Agreement is

irrevocable, subject only to amendment for purposes described in ¶14 below, and that *Code of Alabama* §38-9B-6 provides that contributions cannot be withdrawn by the Settlor, Contributor, or Representative, that the Life Beneficiary has no ownership or control of the AFT account, that neither the Settlor, the Contributor, the Representative, nor the Life Beneficiary can sell, assign, convey, alienate, or otherwise encumber, for consideration or otherwise, any interest in the income or the principal of the AFT account, nor shall any interest of the Life Beneficiary be liable for any debt incurred by the Life Beneficiary, the Settlor, the Contributor, or the Representative, and that neither the principal nor the income of the AFT account shall be subject to seizure by any creditor of the Life Beneficiary, the Settlor, the Contributor, or the Representative, under any writ or procedure in law or equity.

14. AMENDMENTS TO AGREEMENT TO MAINTAIN BENEFITS ELIGIBILITY

The Parties acknowledge that, pursuant to *Code of Alabama* §38-9B-5(b), this AFT account agreement may be amended for the purpose of complying with applicable federal and state law and regulations governing special needs trusts and that any such amendments shall be deemed to apply to all past, existing, and future AFT account agreements.

15. AFT ACCOUNT TERMINATION UPON DEATH OF THE LIFE BENEFICIARY

Upon the death of the Life Beneficiary, the AFT account shall be terminated and distributed as follows: (1) payment of any taxes due from the AFT account to the State of Alabama or any other state or the federal government because of the death of the Life Beneficiary; (2) payment of reasonable fees for administration of the AFT account such as an accounting to a court, completion and filing of documents, or other required actions associated with terminating and wrapping up of the AFT account; (3) retention

and payment of ten percent of the balance of the AFT account to the AFT Charitable Trust; (4) reimbursement to the State of Alabama or to any other state, the District of Columbia, or any other commonwealth, territory, or jurisdiction of the United States for medical assistance paid on behalf of the Life Beneficiary under the plan of the respective jurisdiction; and (5) payment of the balance, if any, to the Remainder Beneficiaries named hereinbelow.

16. AFT ACCOUNT TERMINATION PRIOR TO DEATH OF THE LIFE BENEFICIARY

If the AFT account is terminated for any lawful reason other than the death of the Life Beneficiary, the balance held in the AFT account shall be distributed as follows: (1) payment of reasonable fees for administration of the AFT account such as an accounting to a court, completion and filing of documents, or other required actions associated with termination and wrapping up of the AFT account; (2) reimbursement to the State of Alabama or to any other state, the District of Columbia, or any other commonwealth, territory, or jurisdiction of the United States, for medical assistance paid on behalf of the Beneficiary under the plan of the respective jurisdiction; and (3) payment of the balance, if any, to the Life Beneficiary.

17. REMAINDER BENEFICIARIES

_____ To the deceased Remainder Beneficiary's descendants per stirpes; or

_____ Divided pro rata among the other Remainder Beneficiaries; or

18. DISABILITY REQUIRED FOR ELIGIBILITY

Pursuant to *Code of Alabama* §38-9B-2(10), the Life Beneficiary must have impairments that satisfy the medical and vocational guidelines in Title II (Social Security disability) and Title XVI (SSI disability) of the Social Security Act.

19. AFT ACCOUNT INTENDED TO PAY FOR SUPPLEMENTAL NEEDS

Pursuant to *Code of Alabama* §38-9B-3(a), the purpose of this AFT account is to improve the quality of life of the Life Beneficiary by supplementing rather than replacing government benefits with the AFT account used to purchase goods and services the cost of which is not covered by existing benefits.

20. POOLED TRUST ALLOWS ACCESS FOR PERSONS OF MODEST MEANS Because the AFT account established by this Agreement is part of a pooled special needs trust, the Trustee can offer affordable high-quality management of trusts even for beneficiaries whose trusts have asset values far below the minimum commonly required to open a trust with a corporate trustee. Current AFT policy for new accounts requires either a minimum initial deposit of \$1,500 or that a documented stream of income be assigned to the account. Although assets administered by the Alabama Family Trust Corporation are administered as one trust for purposes of investment and management, a separate account is maintained for each Life Beneficiary. Online account access is available at any time. Monthly statements are posted online or may be mailed upon request.

21. MINIMUM BALANCE, ACCESS TO AFT CHARITABLE TRUST

Although any AFT account will be closed when the balance falls below the minimum that may be changed from time to time by the AFT Board of Trustees, which is now and has been set at \$395 since at least 2015, the income generated by the Alabama Family Trust Charitable Trust remains available to make disbursements for the benefit of Life Beneficiaries whose accounts have been exhausted.

22. INCOME TAX LIABILITY OF LIFE BENEFICIARY

Income earned by each Life Beneficiary of an AFT account is reported on either a Grantor Information Statement or on a K-1 both to the IRS and to the Life Beneficiary. Persons with larger trust balances may incur some income tax liability, while most Life Beneficiaries of more modest means do not receive enough income to exceed the threshold for filing income tax returns.
